Sickness

We will do all we can to minimize and control sickness by utilizing: our camp Nurse, camp nurse's station, trips to local walk-in clinics, trips to local Emergency Rooms if needed, quarantine, communicating with the Regional Youth Board, communicating with Bishop Cary, and following the instructions of our medical professionals on campus. We will follow any and all CDC guidelines along with advice from local authorities. However, if your child has been sick or been around those who are sick please consider all options, including keeping them home, to keep our camp and campers safe.

Visitors and Phone Calls PARENTS / GUARDIANS

We understand that having your kids away from home can make even the calmest person nervous. That is why we have pre-screened and trained all staff and personnel to handle any situation that may arise. Since camp is only a few days, please use wisdom when attempting to call your child, or when coming to visit. This often causes homesickness. You can be assured that we will contact you immediately if a problem occurs. In case of emergency please call 423-284-5552.
