

ABOUT CAMP STAFF

Youth Camps are operated by the North Central Region Church of God Executive Offices under the direct supervision of the Regional Youth and Discipleship Director and the Regional Youth Board. A complete background check is done for every staff application that we receive. We reserve the right to make decisions which are in the best interest of camp as it relates to staff and camper environment. Cabin Leaders are to be a minimum of 21 years of age, while all other camp staff are to be a minimum of 19 years of age. All workers must have an endorsement signature from their local Church of God pastor. All workers are required to attend the mandatory staff orientation prior to each camp. We do not discriminate on the basis of race, sex, or nationality.

HOW MUCH DOES CAMP COST?

PLEASE READ CAREFULLY

See ncrcog.org for current year camp costs. As with everything, our costs continue to rise annually. We do our best to keep our camps as affordable as possible. Register early for the best rates!

Walk-on campers will be accepted the day of camp as availability and space permits. Walk-on campers must have their camper application submitted online by their parent or guardian.

Refund Policy: Cancellations will be honored if requested 14 days prior to the actual camp start date. All refunds will be processed after camp ends. If cancellation is due to illness or family emergency, please contact Youth Director for special considerations of refund. Deposit is non-refundable.

Insurance: We partner with parents to provide medical/injury insurance coverage for every child and should medical attention be required, you will be notified as soon as possible with all the important information. Safety for your child is important to us.

Our insurance is secondary coverage.

FIRST AID +

- > All medications will be collected at the beginning of camp and will be administered only by the camp nurse.
- > So we may more easily identify your child, please bring a picture if your camper needs to take medication.
- > Prescriptions should be clearly labeled (send only the exact amount needed for the time at camp).

CELL PHONE POLICY

Cell phones are normal part of everyday life. We use them to stay connected. We also use them to take pictures and create memories. With that, students are permitted to have their personal cell phones at camp but we do ask that they be respectful and appropriate with them. They should avoid using them in during service times or discussion times other than for Bible apps and note-taking. If a student is using their cell phone excessively, they will be asked to put it away. Our goal at youth camp is to build real relationships with God and others!

VISITOR POLICY

For the protection of all campers, only visitors listed on the camper's Registration Form will be permitted to visit. A picture ID will be required for ALL visitors. Visitors are not permitted to stay overnight, but are welcome to attend the worship services. Visitors will be asked to leave the grounds at the dismissal of each worship service.

DAMAGED, LOST AND FOUND POLICY

We are not responsible for any personal items lost or damaged. Lost items will be held in safe keeping at the Regional Office for thirty days ONLY! Afterwards, they will be disposed of. Lost items can be mailed at your expense. Campers should carefully pack their bags and double-check their areas to avoid left items!

Visitors and Phone Calls PARENTS / GUARDIANS

We understand that having your kids away from home can make even the calmest person nervous. That is why we have pre-screened and trained all staff and personnel to handle any situation that may arise. Since camp is only a few days, please use wisdom when attempting to call your child, or when coming to visit. This often causes homesickness. You can be assured that we will contact you immediately if a problem occurs. In case of emergency please call 701-400-5382.
